Re: 300-15:3, 300 Area Process Sewer South of Apple St., Partial Decision Unit 1 at the Hanford
Superfund Site in Richland, WA

Dear Rudy:

The United States Environmental Protection Agency (EPA) is in concurrence with the Department of Energy (DOE) request to backfill the 300-15:3, 300 Area Process Sewer South of Apple St., Partial Decision Unit 1. This approval is supported by the Backfill Concurrence Checklist and verification sampling results submitted on 7/30/2014.

I look forward to working with you and the State of Washington Department of Ecology to ensure that the Hanford Superfund Site will be protective of human health and the environment. Please contact me at (703) 603-0055 with any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Benjamin Simes", is located below the "Sincerely," text.

Benjamin Simes, Remedial Project Manager
Federal Facilities Restoration and Reuse Office
